Dedication

Mr. Chris Ohmsieder

In appreciation of the time and effort spent by Mr. Ohmsieder who has been a member of the Weir school board for thirteen years and who served as President of the Board for three years, we the Annual Staff respectfully dedicate this edition of the Blue and Gold to him.

Board Of Education

Mrs. Mary Mallams, Antone Salvino, Clerk; Francis Stumfoll, Frank Barney, Vice-President; Bob Emerson, Chris Ohmsieder, Archie Adams, President.

The Board of Eduaction consists of six members elected for a term of four years, with three of the members being elected every two years.

Regular meetings are held the first Monday of each month, but a special meeting may be called whenever necessary.

Committees are appointed by the president to take care of the duties necessary for the general welfare of the school.

The Yearbook Staff appreciates the effort and time Mr. Adams has spent taking photographs for the annual.

Mr. W.T. Butler is Treasurer and the clerk is Mr. Antone Salvino.

We want to extend our thanks for the work the Board has done to make our school a success.

Superintendent

PAUL M. MAXWELL, A.B., A.M.

Each time a new annual appears like the rings of the pine tree, marks the finish of another years work. May the record of these pages reflect our striving for the highest ideals in sports, in learning, in moral development, in citizenship and in all the other attributes of the truly educated person. And may our accomplishments like the pine tree, ever point upward to the heavens.

Prophecy

September 5, 1963

Dear Mary Ann:

Surprise! Surprise! Look who's here! Mary Lou and I found each other in London--quite by accident--but that part of the story is too long to tell. The first thing we did was to compare notes on Weir Hi classmates of 1953. We had an enjoyable time reminiscing. There were a few of whom we had lost contact through the years, but Mary Lou began to use the overseas telephone and soon had everyone on the line. This is what we have dug up:

Don Martin, better known as Tub, is a foreman on a dude ranch in Wyoming; a land of boots 'n' saddles with adventure, relaxation, and western romance.

Mrs. John Woolis (formerly known as Wanda Smith) is now living in Chicago. She is assistant director of Federal Civil Defense.

Jerry Gollodge is "King of the Speedway" on the salt beds of Utah.

We have learned that Helen Martin finally realized her ambition. She is a P. B. X. operator for the Marshall Field Company in Chicago.

Sue Scott graduated from the McConnell Airline School in Minneapolis. She is employed as a flight hostess with Eastern Airlines.

Shirley Larson has carried out her secret ambition and is now a Wave in the service of the good old U. S. A.

No one ever thought that Johnnie Poznich would stay with the Navy when his time was out, but he was recently promoted to and Admiral.

And look at our glamour gal Verda Marie! She is a model at Saks Fifth Avenue in New York City.

Neva June Mishler is a pianist with the Philharmonic Orchestra and is on a tour in Europe.

Mrs. James Bennett, better known as Marlene Curtis, is residing in Kansas City, Missouri, where her husband is employed with the United Brick and Tile Company.

Joe McKenna is proprietor of the Bertram Brothers Motor Company in Joplin, Missouri. His dollar on every sale has catapulted him into the millionaire class.

You remember Irma, O'Malley that is, she has a nice family of five darling boys who will some day make Weir Hi a fine basketball team.

Guess what! We met Cleo Jones in Wichita a while back. He is a jet pilot and likes his job very much.

Someone prophesied that Jane Ann Greer would be a primary teacher at Horace Mann. Well she is!

And our Bob Larson has climbed the ladder of success to become president of the General Motors Corporation.

Then, there's Anna Lou. Remember, how fastidious she always was? Well, she's in the height of her glory as a cosmetic clerk at Macy's in Kansas City, Missouri.

Carol Jean is employed as a bookkeeper for Spencer Chemical Company.

Cecil Flood is a chemist and director of the Universal Research Laboratories in Newark, New Jersey.

Now here's the pay-off! Every one thought our Shirley Vanderpool would marry and settle down in Weir, but not so; she runs a greyhound dog kennel in Tallahassee, Florida. Imagine that!

Well, Mary Ann, since Mary Lou and I are galivanting around together for awhile we think we will get back to L. A. We hope to see you in action as "Christy". Isn't television wonderful? Remember when we tried to see "Ikes" inauguration back in the old Weir Hi days? After all those were the happy days for us.

So just as soon as Mary Lou can pry herself loose for a vacation from her fascinating job as a crime reporter for the London Times and I can convince M.G.M. I'm not indispensable as a secretary, we will be along to see you.

Your classmates,
Carolyn Sue

This year we have organized a senior band for High School students, a junior band for sixth, seventh, and eighth grades, and a beginning band for fifth and sixth grades. A few of the more proficient grade musicians play with the senior band for the parade work. The Senior band this year has made the following appearances: Mineral Homecoming, McCune Homecoming, Weir Homecoming, Baxter Springs Homecoming, Cherokee Homecoming, K.S.T.C. Homecoming and the Christmas Parade at Oswego.

Band

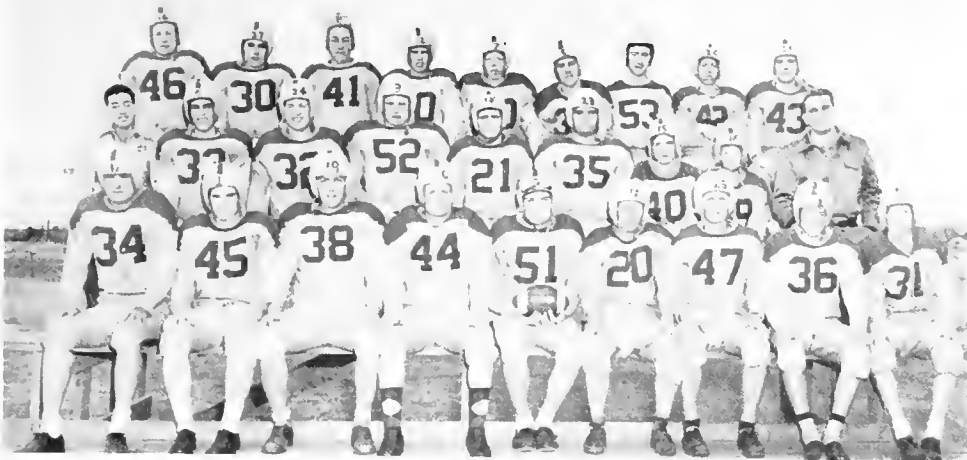

Majorettes-Peggy Roberts, Mary Ruth Larson, Drum Majorette-Carolyn Owen, Trombones-Mary Ann Brohl, Bill Ohmsieder, Lillian McKenna, Margaret Ross, Baritone-Donald Golledge, Cornets-Wayne Kennedy, John Poznich, William White, Jacquelyn Shaw, Bobby Martin, Vernice Lomax, Billie O'Malley, Wilma Dietz, Nancy Larson.

The band has been maneuvered by the same good looking majorettes which we had last year. Carolyn Owen was Drum Major and Peggy Ann Roberts and Mary Ruth Larson were majorettes. Much favorable comment was received on their fine work.

A high light of the parade season was the big rain during the Weir Parade. The band marched like soldiers and drew much praise from our town folks.

Superintendent Paul M. Maxwell is serving his second year as director.

Football

The 1952-53 edition of the Wildcat football squad rung up one of Weir's best football seasons in many years. Coach Darrell Smokewood's gridgers won five, lost three, and tied one.

In the first game of the season Weir and Frontenac battled to a 0-0 deadlock on the Wildcat gridiron. The 'Cats then won over McCune 14-0, and made it two in a row by dumping Erie 21-0. Galena then whipped the Blue and Gold 24-13. In the next game in one of the most hotly contested battles ever witnessed on the local field saw the St. Mary's Panthers edged out the Wildcats 13-7. Weir again broke in the win column in the game thumping Arcadia 27-6, but were handed a 43-0 setback in their next outing with Mineral's championship team, Weir bounced back from the Mineral pasting to down Cherokee 27-0, and won over Mulberry in the final game of the year 19-13.

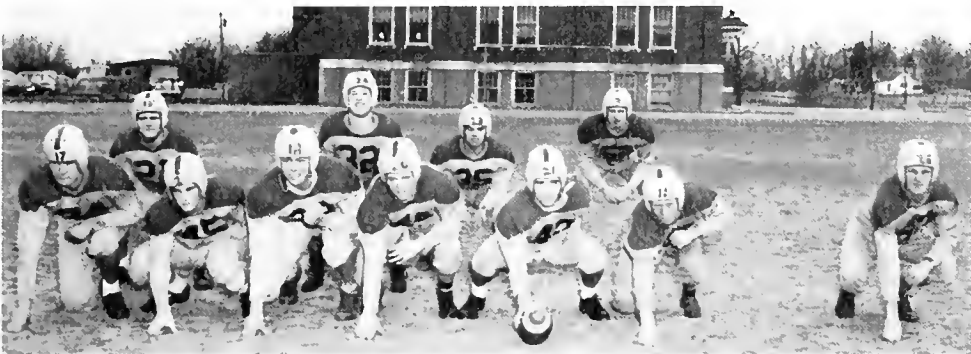

Five men on the Wildcat roster made the M.B.L. All-Star team this year. They are Dave Short, Bob Larson, Don Martin, Carl E. Martin, and Cecil Flood. Three Weir Gridgers made honorable mention. They included Joe McKenna, Jerry Babcock, and Jerry Golledge.

Lettermen this year are as follows: John Poznich, Don Martin, Joe McKenna, Cecil Flood, Jerry Babcock, Bob Larson, Jerry Golledge, and Cleo Jones, seniors. Dave Short, John Thompson, Carl Martin, and Glenn Spencer, juniors. Larry Lucas, Fred Fisher, Gene Simonin, Noel Maxwell, and Bill White, sophmores.

Jerry Golledge and Jerry Babcock, both seniors, were co-captains on this year's squad. Dave Short was team quarterback on offense and Carl Martin called defensive signals for the Wildcat eleven. Both men are juniors.

Mr. Albert Owen has been head custodian this year. His assistant is Mr. Henry Matthews. Both men have worked hard all year long to keep the building, grounds, and equipment spic and span. Mr. Owen and Mr. Matthews are well liked and respected by all the students.

A new school bus was purchased by Weir High School before the beginning of the school term. The new bus was driven during September by Mr. Nelson who later quit. The rest of the year was finished by Mr. Cox. He has brought the students to school regardless of weather conditions and has driven the bus to all out of town activities. He spends several nights a week taking students to basketball and football games, class parties and band trips. The students appreciate everything Mr. Cox does for them.
